Town House in Sucina

€169,950

2	1	90m²	180m²	N/A

This well-presented and carefully maintained townhouse really has it all. It is located on a quiet residential street in the traditional Spanish town of Sucina, within short walking distance of the village centre. It has extensive outside space, with a private garden and an extensive roof terrace ideal for dining, sunbathing, and enjoying the jacuzzi. The villa enters into a private garden space with high wall surrounds, finished with faux grass and natural stone, and it features a jacuzzi. The interior of the house is tastefully furnished and refurbished. Entering the living room, there are many beautiful features, including a wooden soundproof wall, quality furniture, very nice light fittings, and...(Ask for More Details!)
