Apartment in San Pedro del Pinatar

€220,000

3	1	108m²	N/A	N/A

Fully renovated three-bedroom top-floor apartment with a private 360Â° roof terraceThis apartment takes up the entire top level of the tallest building in its immediate surroundings, and its private roof terrace looks out in every direction without a single building in the way. Daylight fills it from morning to evening. The 108 m² built area translates into close to 90 m² of usable space, and all three bedrooms are generous in size. The current living room can serve as a fourth bedroom, with the entrance and dining area then taking over as the lounge. Every room has been renovated, and the apartment comes furnished with stylish pieces, enough to move...(Ask for More Details!)
