Botticelli Residence brings 18 contemporary Mediterranean villas to Moraira on the northern Costa Blanca. Each home has a terrace, a private pool and off-road parking. The marina, beaches and restaurants of Moraira are close by. The layouts vary by plot. In villa 5A, for example, the kitchen and living-dining room share the ground floor with a bedroom and bathroom. Two further bedrooms open onto the upper level, while the basement includes storage and rooms whose final use should be confirmed.
