Finca in Yecla

€120,000

14	3	460m²	66,633m²	N/A

Looking for a renovation project in Yecla with space, views and plenty of potential? This estate is made up of three houses, each with its own garage, plus a detached casita with a garage on a separate large plot. Everything needs renovating, so you can shape it entirely to your own wishes: a family home for several generations, a home with guest accommodation, or a holiday rental project. The three housesOn a plot of 46,633 m² stand three houses side by side: house 1 of 142 m², house 2 of 91 m² and house 3 of 142 m². Each house has an open fireplace. The houses share two patios and...(Ask for More Details!)
