Apartment in Petrer

€115,000

3	1	90m²	N/A	N/A

Property located on the first floor above the mezzanine (equivalent in height to a second floor), in a building equipped with an elevator and a zero-level adapted hallway, fully accessible and without architectural barriers. Located in a flat, established environment that is very convenient for daily life, near the bus station and Las Chimeneas. It features supermarkets, schools, a health center, pharmacies, and public transport stops at street level, allowing you to handle all daily errands on foot without depending on a vehicle. An ideal property for those looking for a home without the need for major renovations, offering an independent 3-bedroom layout and the convenience of level access with...(Ask for More Details!)
