This project consists of five modern homes, designed to offer comfortable year-round living in a practical, easy-to-maintain format. Each home is planned to maximise everyday usability, combining well-proportioned interior spaces with a private outdoor area. The layout prioritises open-plan living, with a bright living and kitchen area that supports both day-to-day routines and social use, complemented by a separate laundry space for added convenience. Three bedrooms and three bathrooms provide flexibility for families, guests, or working-from-home needs, with a balanced distribution of space throughout the home. Homes are delivered with key comfort and finish elements already included, such as a fully fitted kitchen with appliances, and comprehensive lighting
