This exclusive residence seamlessly combines functionality with exquisite exterior design. Situated atop a hill, the home commands panoramic views over its surroundings, opening fully to the landscape and embracing the outdoors from every angle. On the ground floor, a completely open-plan layout integrates the living and dining areas, extending them effortlessly to the exterior. The living room also opens at the rear, creating visual connections through the home and enhancing the sense of space and natural light. The bedrooms follow the same principle of openness and orientation: two face East, while the main ground-floor bedroom is oriented toward the West, maximizing light and views throughout the day. The entire ground...(Ask for More Details!)
