Villa in Finestrat

€1,600,000

7	7	636m²	638m²	✔

This project features materials and installations with the highest performance standards and exclusively designed finishes. The interior offers a sense of great spaciousness thanks to large windows and high ceilings. The ground floor boasts a clear ceiling height of 3 meters. All installations are highly efficient. The ducted air conditioning system includes a heat pump, complemented by underfloor heating throughout the home, a ventilation system with air renewal, and a heat recovery system. The entire property features LED lighting, both indoors and outdoors. The built area of the property exceeds 600 m2 on a plot of 638 m². The villa comprises 266 m² across the 2 floors above ground level....(Ask for More Details!)
