Finca in Jumilla

€650,000

6	1	457m²	520,800m²	N/A

A country house with mountain views? A rural retreat? A private estate with space for tourism, wellness or motorsport? Discover a property where the possibilities extend far beyond traditional country living. Located in a beautiful hilly setting with panoramic views, just 2 km from the centre of Jumilla, this remarkable 52-hectare estate offers a rare combination of rural charm, extensive land and existing infrastructure, making it an intriguing opportunity for private buyers, investors and entrepreneurs. Traditional Country House with Restoration PotentialAt the heart of the estate stands a traditional country house with thick stone walls, arranged over two floors and awaiting restoration. The existing layout includes a living room, kitchen,...(Ask for More Details!)
