This contemporary residential development is designed around modern architecture, high-quality finishes, and comfortable indoor-outdoor living. The homes combine clean white faÃ§ades with natural limestone, technological wood detailing, large-format porcelain flooring, landscaped areas, and spacious terraces or solariums. Each property is finished to a high standard, with aluminium windows, double glazing, motorised shutters, built-in wardrobes, designer lighting, fully equipped kitchens, premium Bosch or Siemens appliances, ducted air conditioning, and underfloor heating in the bathrooms. The bathrooms feature wall-hung sanitaryware, concealed cisterns, quartz shower trays, and elegant black fittings. Ground-floor homes include private gardens and swimming pools,
