Commercial in Denia

€475,000

0	0	145m²	492m²	N/A

Imagine a charming commercial premises located in Denia, right in front of the majestic city walls. With its 145 square metres built, this space offers a generous area to bring any type of business to life. Built in 1960, this premises has a unique character that combines the charm of the past with modern comforts. Upon entering, you are greeted by a brightness that floods the entire space, thanks to its large windows and strategically placed skylights, which let in an abundance of natural light. One of the most distinctive features of this venue are its different heights, which gives it a dynamic and versatile feel. From more intimate areas...(Ask for More Details!)
