A unique opportunity in the heart of Torrevieja! We present this spacious double garage with storage room, located just 600 meters from the sea and close to the bus station. With a usable area of â€‹â€‹approximately 40 m², it's perfect for those looking for convenience and extra space, including an excellent 10 m² storage room. In an area where parking is increasingly scarce, having your own garage is essential. You'll also have close access to shopping centers, schools, and children's play areas. Don't miss this excellent opportunity.
