Enclosed Garage in Los Collados, Ñ•guilas for Car, Motorcycle, and Storage All-in-One For sale: an enclosed garage located in the underground parking of the Los Collados residential complex in Ñ•guilas. This is a highly practical opportunity for both residents and holiday home owners in the area. The space is ideal for securely parking a car, storing a small boat, or using it for storage purposes. Being enclosed, it offers greater privacy and protection against humidity and dust compared to an open parking space. The Los Collados residential complex is situated in a quiet and well-connected area, just a few minutes' drive from the beaches of Ñ•guilas and all the services the...(Ask for More Details!)
