A house that holds stories. A place to start yours. There are properties that are simply built. And then there are homes that are born. This Mediterranean rustic estate, located on CamÃ- del Rei â€"a quiet area between Moraira, Teulada, and Benitachellâ€" was conceived in the 90s as the place where a family would grow up happy. Today, that legacy is still alive in every corner: in the beams rescued from old demolitions, in the warmth of the mobila wood, in the nobility of the stone, and in the murmur of the sea visible from its terraces. With over 11,000 m² of land and 568 m² built, the house blends...(Ask for More Details!)
