Bright high-rise apartment with pool and parking Here we offer a spacious and well-planned apartment high up in the house, where the light and view create a lovely feeling of space. With only about 200 meters to the beach, the sea becomes a natural part of everyday life - perfect for morning swims, walks and long days by the water. The home has a built area of approximately 90 square meters and is arranged with three bedrooms and one bathroom in a functional floor plan. The living room is bright and inviting and leads out to the balcony, where you can enjoy both morning and evening sun thanks to the...(Ask for More Details!)
