Generous villa with private pool, garden and space for the whole family Here we offer a spacious and well-planned villa with plenty of space for both family life and social events. With its generous spaces, several patios and private garden, a home is created where comfort and quality of life are at the center. The property has approximately 310 square meters of built area and is spread over two floors. There are four spacious bedrooms and four bathrooms, making the villa perfect for a larger family or for those who like to entertain. The floor plan is well thought out and offers a nice balance between social areas and private...(Ask for More Details!)
