123m²

200m²

This beautiful property is new to the market and available now for viewings. You enter the garden via a secure gate. The garden is very low maintenance with newly installed fencing and off road parking. There is a heated pool with a retractable glass cover. The pool has a counter current swimming machine installed. The property interior is very stylish and presented immaculately. The lounge diner is open with a modern, fully equipped kitchen and central island. There are 2 double bedrooms and a family bathroom on this level. There is a back door which leads to a utility area and an infrared...(Ask for More Details!)
