170m<sup>2</sup>

10,000m<sup>2</sup>

The base model includes 3 bedrooms and 2 bathrooms without a pool. The complete package includes an open bathroom layout, house extension + 9Å—5 garage, 2 fireplace pre-installations, kitchen upgrade + island, pool and terrace. This L-shape design means that the main living areas all look directly at the swimming pool and terrace and to the views beyond. There are a choice of locations for this villa with spectacular vistas. 12 month build process. The total build is governed by contract drawn up by the builder and your lawyer and staged payments are made throughout the process from initial reservation through to...(Ask for More Details!)
