Behold this magnificent, traditional corner villa, a classic masterpiece constructed in 1996, nestled in the heart of Cabo Roig. With a plot size of 968 m2 and a build size of 349 m2, this grand estate exudes elegance and charm. As you step inside, you are greeted by a spacious and bright interior, facing south to bask in the warm sunlight. This villa boasts 6 double bedrooms and 4 bathrooms, including a main accommodation and a guest, self-contained apartment. A standout feature of this property is its wide access doors without thresholds, making it especially suitable for those with disabilities. Outside, a large private pool beckons, complete with...(Ask for More Details!)
