Prime Location Exclusive property situated in a unique setting between sea and mountains, with open views of the Mediterranean and surrounded by nature. Located in a quiet residential area, perfectly connected to nearby towns and services, it offers an ideal balance between privacy, exceptional climate, and quality of life.

Design and Architecture Single-family home in contemporary style, characterized by a composition of geometric volumes that create a modern and elegant aesthetic. Its design prioritizes the entry of natural light and visual connection with the exterior, creating bright, spacious, and functional spaces.

Interior Layout The house is organized over three perfectly differentiated levels:

- Ground floor with open day area:
