Discover this stunning villa located in the coveted sector 13 of Finestrat, just 4000 meters from the beach. With an ideal total built area designed for enjoying comfort and modern style, this new property features three spacious double bedrooms and two fully equipped bathrooms. The kitchen is made for food lovers and offers everything needed to delight in cooking. The villa faces south, allowing natural light to flood all its spaces thanks to elegant porcelain stoneware flooring. This home is not only bright but also functional; it includes PMR adapted access, central air conditioning (cool/heat), and alarm installation for additional security. Outside you will find your own private garden adorned...(Ask for More Details!)
