Discover four remarkable eco-friendly properties that embody both sustainability and contemporary living. Each residence boasts three bedrooms with built-in wardrobes, two complete bathrooms, a spacious living area, a well-appointed kitchen, and a delightful terrace. You have the choice between a ground floor model, featuring both front and rear terraces/gardens, or a first floor option, which includes a terrace and a private solarium. The first floor properties are equipped with rooftop photovoltaic panels, harnessing solar energy for efficient power usage. The kitchens are fully equipped and showcase exquisite granite or synthetic agglomerate worktops, such as Silestone or similar premium materials. The bathrooms are elegantly finished with top-notch...(Ask for More
