Very large 5 bedroom apartment for sale in the center of Torrevieja. The apartment lies on the first floor in a building without elevator. The apartment offers a 275 sqm built surface and a 230 sqm useful surface. It's distributed in 5 bedrooms, 2 bathrooms (on of them ensuite), 2 spacious living rooms and a large kitchen with access to a glazed-in terrace. There is a project to convert this apartment into 3 independent apartments, which makes this a great investment, either to rent them out or sell them separately. Do not miss the chance to buy this huge 5 bedroom apartment in the center of Torrevieja.
