147m²

831m²

South-facing luxury villa on a huge 831m² plot with a private pool, fruit orchard, and high-speed fiber optic—perfect for remote living or family sun. Imagine picking fresh oranges and pomegranates from your own garden while enjoying year-round sunshine and complete privacy in the most prestigious residential area of the Costa Blanca. This beautifully maintained, south-facing detached villa is located on an exclusive, quiet road in the sought-after La Escuera urbanization in San Fulgencio. Set on a generous 831m² private plot, the property features an expansive wrap-around garden and terrace system that ensures sun or shade at any time of the day. The home is intelligently designed with the main living...(Ask for More Details!)
