"What is the boutique hotel have we got going on here then?" Villa Preciosa Tucked into the ever-popular Camposol enclave, Villa Preciosa lives up to its name with a confident sense of character and a quietly indulgent charm. This is not simply a two-bedroom, two-bathroom villa—it is a carefully curated space that blurs the line between private residence and intimate boutique retreat, where every corner feels considered and every feature invites you to linger just a little longer. Set across a generous 500 square metre plot, with approximately 140 square metres of built space, the property unfolds with an easy, open rhythm. Inside, the home is fully furnished and thoughtfully styled,...(Ask for More Details!)
