This south facing flat plot is on the lower slope of La Cala, close to the entrance and only five minutes walking distance to restaurants and bars on Costa Nova. A reasonably priced plot for this area, it will be possible to build a 200m² family villa + large pool on this site. The utility connections are already in place - mains gas, mains drainage, electricity, water and cable TV with hi speed internet. The pavement is completed with street lights too. La Cala is a well established urbanisation and a perfect location for your family villa in Javea; the jewel of the Costa Blanca.
