Discover this beautiful rustic finca-style house, located in a unique natural setting on a large plot of around 1,900 m², ideal for those seeking tranquility, privacy, and the charm of rural life just minutes from the sea. Home with history and character Formerly a traditional restaurant, this property has been tastefully renovated to become a cozy home, preserving its Mediterranean essence and original details. Distributed over two floors plus a partial basement, the home offers spacious areas full of natural light: On the ground floor, the former dining room has been transformed into a large living room with a fireplace, perfect for enjoying the winter. The fully equipped open-plan kitchen connects with...(Ask for More Details!)
