AN EXCLUSIVE DESIGNER VILLA WITH STUNNING SEA VIEWS
On a slightly sloping 1069m² plot, this modern villa is located in the exclusive area, and provides beautiful views of the Mediterranean sea and mountains. With 894m² of built up area across three levels, this 4 bedroom villa is flooded with natural light on all floors from the vast floor-to-ceiling windows. The main entrance to the villa gives immediate access to the first floor and the four-person elevator connects all three levels. The house opens entirely toward the terrace area, which maximises the transmission of natural light. The impressive views villa provides can be fully appreciated from the floor-to-ceiling windows. Entering by way...(Ask for More Details!)
