We present this property in Orihuela, offering a unique opportunity for those seeking to combine luxury, comfort and profitability in a privileged natural setting. This impressive 495 m² villa, set within a 1,000 m² residential area featuring a swimming pool and Barbecue area, stands on a fully fenced plot of 9,480 m², ensuring privacy and security. A bonus of this property is its Verna lemon orchard, which is irrigated using traditional methods and generates an estimated annual income of between €15,000 and €20,000, making this estate a profitable investment with rural charm. Spread over three floors, the property stands out for its spacious and light-filled rooms. In the semi-basement, you will find a garage...(Ask for More Details!)
