We are excited to share details about a fantastic 3-bedroom townhouse in the up-and-coming area of Roldan. This property spans two floors. The ground floor features a good-sized living room with a wood burner, a separate kitchen, a double bedroom, and a bathroom with a walk-in shower. The ground floor also provides access to a garage. Upstairs, you'll find another two bedrooms, a bathroom, and two "good-sized" terraces. In addition this property is fitted with "solar" panels. The townhouse is situated in a nice and quiet area, within walking distance of all the amenities in the village.
