This residential complex is designed for people over 65 years old who wish to live independently while enjoying a wide range of services and activities that allow them to embrace the Mediterranean lifestyle on the Costa Blanca. It consists of 233 apartments and a large central building that offers an extensive selection of social, healthcare, and cultural services. Each residence is equipped with a 24-hour medical alarm system connected directly to the complex's medical center. In addition, the community is gated and "equipped" with "security" cameras and "on-site guards" to ensure residents' "safety". There is "also" an "on-site" "restaurant" offering delicious menus "that combine the best of local" and
