Commercial premises in Ondara, located in a well-connected and easily accessible area, ideal for both clients and suppliers. Its location within the urban center allows professional activity to be carried out in an environment with nearby services and good visibility. The property stands out for its spaciousness and versatility, offering an open space with high ceilings that provide a great feeling of comfort, luminosity and multiple distribution possibilities. This feature makes it a particularly interesting option for businesses that require differentiated work areas, customer service or storage. It has several independent rooms, all of them equipped with an air conditioning system, which guarantees a pleasant atmosphere all year round. In...(Ask for More Details!)
