Located just 3 km from Pinoso, this attractive plot offers a peaceful countryside setting with the convenience of being close to the town. The property has good access and benefits from both electricity and irrigation water, making it a practical option for agricultural use or for those considering a residential project, subject to the relevant planning permissions. The property may also have the possibility of aerial internet, and potable water may be available, subject to confirmation and the necessary connection requirements. The land enjoys pleasant rural views and provides privacy while remaining within easy reach of everyday amenities. Its location is well suited to anyone looking for a quieter lifestyle...(Ask for More Details!)
