This is a rare original finca from the 1800's, completely renovated in 2005. Layout is on two floors: ground floor is accessed through the naya with original tosca stone arches and imposing antique double doors opening to the first lounge with a large open fireplace. Adjacent to the lounge there is a library featuring original stone walls. This finca has a spectacular kitchen fitted with Bosch appliances and featuring a worktop island. The kitchen has access to two large dining rooms, one with fireplace, which lead to a spacious 40m² living room with doors leading to a further large naya with tosca arches and outside terrace. There is also a...(Ask for More Details!)
