Town House in San Fulgencio

€119,969

2	1	51m²	N/A	N/A

Cozy semi-detached house of 51 m² (according to provided data) in the quiet Urbanización La Marina, San Fulgencio. The property, renovated according to the agent, has 2 bedrooms and 1 bathroom and offers a practical layout designed for a second home or investment due to its proximity to natural areas and a residential environment. Photographs show a bright living room with a split air conditioning unit, a compact fitted open kitchen and a south-facing terrace with views of the street and the surrounding low-rise housing. FaÃ§ade with metal grilles and shutters, access via exterior stairs from the street and an outdoor area with an on-street parking space (apparent, to be...(Ask for More Details!)
