The new residential development located in Avileses, in the Region of Murcia. The project consists of 5 attached, single-level villas, designed to combine contemporary architecture, comfort, and efficient use of space. Each villa is laid out on one floor and features 3 bedrooms and 2 fully equipped bathrooms, conceived with a modern, open-plan living concept. The interior integrates a furnished kitchen with a bright and spacious living dining area, creating a fluid and functional environment for everyday living. Outdoor spaces are a defining element of the development. All homes include a private swimming pool, on-plot parking, terrace areas, and a private solarium, allowing residents to enjoy outdoor living and sunshine...(Ask for More Details!)
