This UPGRADED penthouse has stunning views of the golf, lake and gardens. This apartment benefits from being a corner unit with the larger kitchen design and extra windows in the kitchen and bathroom. Furnished and decorated to a high standard it has new flooring, new kitchen, modern walk in shower, ceiling fans and air-conditioning throughout. The sunny terrace has outside furniture, BBQ and jacuzzi. The picture windows provide plenty of light in the main living area. The curved wall design means there are 2 terraces off the bedrooms which capture the morning sunshine. This penthouse can be renovated into open plan, please ask for examples. The apartment is being sold...(Ask for More Details!)
