This exclusive residential development comprises thoughtfully designed maisonettes, offering a choice of 2 or 3 bedrooms and 2 modern bathrooms. Each property is designed to provide comfortable and practical living spaces, suitable for both permanent residence and holiday use. Residents have access to a well-maintained communal swimming pool, ideal for relaxation and leisure. Top-floor homes also feature a private solarium, providing additional outdoor space for sunbathing, entertaining, or enjoying the surrounding views. The development is situated in a quiet residential area of San Javier, Murcia, while remaining close to 'essential' amenities 'such as' 'shops', 'restaurants', and 'local services'. The 'location offers a
