This large corner garden apartment with gardens and pool view is South East facing. The sunny patio terrace has plenty of room for sunbeds whilst the large covered terrace has a large table and chairs, outside lounge furniture and BBQ. It is the popular curved wall design with the large kitchen which can be renovated into open plan. There are extra windows in the terrace, lounge and bathroom. The owners have added air-conditioning units in both bedrooms. The apartment is being sold furnished minus personal possessions and would make an ideal second or permanent home. The first thing that impresses you about Hacienda Riquelme Golf Resort is the wide-open spaces,...(Ask for More Details!)
