On the ground floor, you'll find a spacious entrance hall, with electric fuzz box and mains water connection, ready to be reconnected, mains sewage is also within a reach. To the left and right, there are 2 bedrooms in the traditional Spanish outline. Further you will find a living room with a fireplace, storage space and hallway around the stairs, and in the back, a walled patio with a little garden, and several outbuildings, originally for animals. Upstairs, there is a space for 3 more bedrooms and a bathroom, although there is none working bathroom so far. The balcony on the third floor offers beautiful views around the surrounding town,...(Ask for More Details!)
