Discover the perfect blend of luxury and versatility in these meticulously designed Murcia residences. Featuring four bedrooms plus a flexible multipurpose room, these homes are tailored for modern living, offering expansive terraces on every level and a private ground-floor garden. The dual-orientation architecture ensures constant cross-ventilation, while the crowning solarium provides breathtaking views of the northern green corridor and southern sports park. Every detail reflects a commitment to quality, from customizable high-end finishes and fully equipped bathrooms to the convenience of a lined dressing room. Practicality is equally prioritized with a two-car garage including EV charger pre-installation and multi-zone air
