This open plan garden apartment has been upgraded and renovated in a very unique way. This apartment is a corner unit so the extra windows and huge sliding patio doors fills the huge living area with sunshine. The island allows for a dining table and work surface next to the cleverly designed kitchen. Â Decorated to a very high standard it has new flooring, white doors, modern walk in shower, ceiling fans, air-conditioning, fly screens nothing has been forgotten when designing this amazing apartment. The slightly elevated terrace has all day sunshine and a few steps from one of the biggest communal pools on the site. The apartment is being sold...(Ask for More Details!)
