It's not often we have apartments for sale in the Hondón Valley and this one could be exactly what you've been waiting for. Not everyone wants a large countryside villa with a pool and garden to maintain. Perhaps you're looking for something simpler? Low maintenance? Easy to lock up and leave? Or a comfortable full-time home right in the heart of a traditional Spanish village? This second-floor apartment is being sold fully furnished and offers bright, practical living just one minute's walk from the centre of the village. Inside you'll find: A light, open lounge with large east-facing picture windows overlooking the Hondón Valley Modern...(Ask for More Details!)
