A currently operating restaurant and café is available for lease takeover, located in an urban area with significant commercial potential. The business comprises two adjoining premises being transferred together. One houses the kitchen, dining area, and restrooms, while the second is an open-plan space currently used by the owners for storage. Its open layout makes it ideal for opening a complementary business, such as an indoor play area or another venture that complements the restaurant. The establishment has a capacity of 7 tables indoors and 10 tables on the terrace. It is being sold fully furnished and equipped with all kitchenware and appliances. The business currently operates from 8:00 AM...(Ask for More Details!)
