Apartment in Sella

€255,000

2	2	75m²	N/A	N/A

In a residential complex of aparthotel type in La Sella, very close to Dénia. Two types are offered with differentiated interior distributions (both with two bedrooms and two bathrooms, one en suite), each with its own terrace and different locations in the urbanization, thus adapting to different preferences for use and orientation. The regulations of the urbanization allow for vacation rentals without the need for an independent tourist license, a rare circumstance that is particularly attractive for those seeking profitability. The homes are delivered unfurnished (optional) and include a private covered parking space. Both distributions are designed to maximize natural light and fluidity between rooms, always reserving a master bedroom...(Ask for More Details!)
