Discover Residencial, in one of the most sought-after and desirable areas of J avea, an exclusive new-build development consisting of just nine homes designed to enjoy the Mediterranean with spaciousness, light, and comfort. The development offers 3-bedroom, 2-bathroom apartments, distributed across the ground floor, first floor, and spectacular penthouses with large private terraces of over 100 m<sup>2</sup>, ideal for creating different outdoor environments, relaxing in the sun, or enjoying gatherings with open views and excellent orientation. Each home has been conceived with a modern and elegant style, taking care of both aesthetics and functionality. The interiors stand out for their open-plan spaces, high-quality finishes, and a careful selection of
