Occasionally, we are fortunate enough to present a truly exceptional home in a remarkable setting, and this architect-designed Ibiza-style villa is certainly one of those rare opportunities. Set in the peaceful hamlet of Barbarroja, just a short drive from the Hondón Valley, this property offers a refreshing alternative to the more conventional modern villas. It combines contemporary comforts with a genuine Mediterranean character, creating a home that feels both stylish and timeless. Have you been searching for something distinctive, yet warm and inviting? A place where quality and design genuinely stand out? The villa sits proudly on a flat plot of 18,121m<sup>2</sup>, approached via an electric sliding...(Ask for More Details!)
