Introducing a competitively priced boutique project consisting of four apartments in Lo Pagãin, just 1000 meters from the beach. Each unit offers two bedrooms, two bathrooms, and good quality finishes. The ground-floor apartments with dual terraces, private pool, and storage, while the penthouses feature private solariums with pool, pergola, and pre-installed outdoor kitchen. Each residence is fully equipped with TEKA appliances, ducted A/C, underfloor-heated bathrooms, and built-in wardrobes. With southeast orientation, designated parking, and walking access to amenities, this modern development ensures premium coastal living.
