This project is a contemporary residential located in the charming village of Avileses, Murcia. Comprising just 19 apartments with 1, 2 and 3-bedroom layouts, the project combines modern design, practical living spaces and excellent value. Residents benefit from fully equipped kitchens, pre-installation for air conditioning and convenient lift access, all within a peaceful setting – close to the Mar Menor beaches, golf courses and Murcia International Airport. Its strategic location and affordable prices make it an attractive option for both permanent living and investment.
