House to renovate in idyllic Spanish hamlet â€“ near Font AlmorquÃ-This unique renovation project is located in a charming hamlet, surrounded by unspoiled nature and near the beautiful Font AlmorquÃ- area. On a generous 750 m² plot, you'll find a characteristic house, two dilapidated barns, and what was once a charming chapel. The main house exudes history but requires complete renovation. There is currently no water or electricity connection, but proven solutions exist in Spain, such as solar panels for energy and a water reservoir for the water supply. This is an excellent opportunity for those seeking peace, space, and an authentic Spanish setting. With the right vision, this place...(Ask for More Details!)
